MISSION-READY HR, IT & LOGISTICS SOLUTIONS

Axelerate IT LLC is a small veteran- and women-owned business specializing in Human Resources Administration, IT Services, Asset Management, and Deployment Logistics for federal, state, and local government agencies. Our leadership pairs decades of Air Force HR expertise with Navy IT and cybersecurity experience — bridging human capital operations and complex technical environments with precision, accountability, and trust.

CERTIFICATIONS & DESIGNATIONS

CORE COMPETENCIES

- ▶ **Administrative & HR Support** — Personnel management, workflow optimization, and mission-aligned administrative operations.
- ▶ **Asset Lifecycle Management** — Inventory control, asset tracking, audit-ready documentation, and full lifecycle accountability.
- ▶ **Deployment & Field Logistics** — Imaging, staging, kitting, distribution, and on-site deployment support.
- ▶ **IT Services & Cybersecurity** — Network support, system administration, cybersecurity operations, secure configurations, and technical troubleshooting.

KEY DIFFERENTIATORS

- ▶ **Veteran Leadership** — 30+ years Air Force HR leadership and 20+ years Navy IT/cybersecurity expertise.
- ▶ **Integrity-Driven Culture** — Transparent, ethical operations that build long-term trust.
- ▶ **Rapid, Scalable Support** — Agile processes that adapt quickly to evolving mission needs.
- ▶ **Security-First, Government-Experienced** — Cybersecurity embedded in every deliverable, with deep familiarity in federal compliance and mission-critical operations.
